7.88.0 New Features

This guide lists new features available in *eTapestry* 7.88.0, released on September 8, 2024.

Updates to DIY Forms and eStore (Cart)

To improve clarity, the options for payment types on DIY Forms and eStore (Cart) have been renamed:

- **Credit/Debit Card** is now **Credit/Debit Card or Digital Wallet**.
- **EFT** is now **Bank Account (Direct Debit)**.

Reports: Mass Interactions Fields column category

To help track mass interactions, such as emails, letters, and other bulk communications, you can now add more columns from the **Mass Interactions Fields** column category to a custom report. The **Mass Interactions Fields** column category now includes the following columns:

- **All Mass Interactions Count**
- **Mass Interactions Count (This Month)**
- **Mass Interactions Count (This Year)**
- **Mass Interactions Count (Last Month)**
- **Mass Interactions Count (Last Year)**
- **Mass Interactions Count (This Quarter)**
- **Mass Interactions Count (Last Quarter)**
- **Mass Interactions (This Quarter)**
- **Mass Interactions (Last Quarter)**

Enhancements to Reports

With this release, we've made the following updates to **Reports**:

- When you run a report with no columns that total, that row is now removed when you generate the report as an *Excel*, CSV, MRG or PDF file.
- We've made the following look and feel improvements when you generate a report as an *Excel* file:
  - Bold header rows

- Frozen header rows
- Auto adjusted column widths

DIY Forms: Confirm Email Address Field

To reduce repetitive data entry on DIY forms, the **Confirm Email Address** field will be removed after you republish your DIY form. Donors can still enter their email in the **Email Address** field.

End of Support for third-party payment gateways and processors

As we've previously communicated, to consolidate payment processing and improve the payment processing experience, *eTapestry* is ending support of the following gateways and processors:
